

# ROSS EXPRESS

## 1 and 3-Day Shipment Program

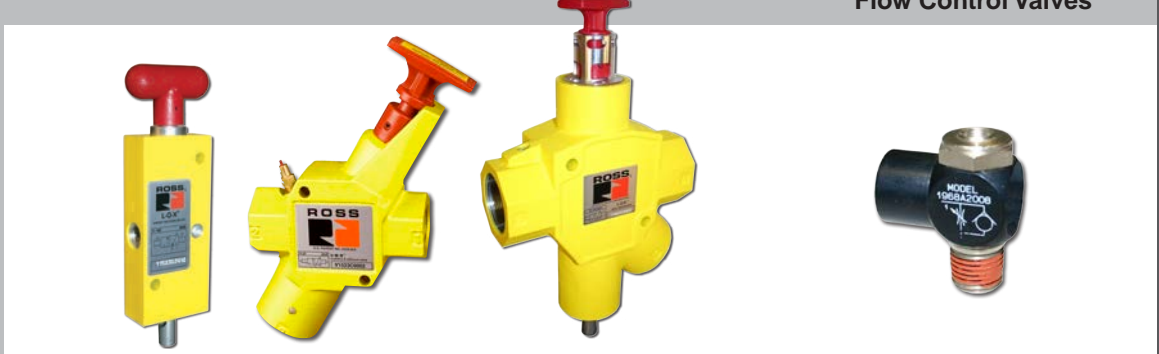

ROSS or its authorized distributor will, upon request, ship the following selection of products in 1–3 business days.

### 1-DAY Shipping Program

Manual Lockout L-O-X® Valves

Right Angle  
Flow Control Valves

AIR-FUSE Flow Diffusers

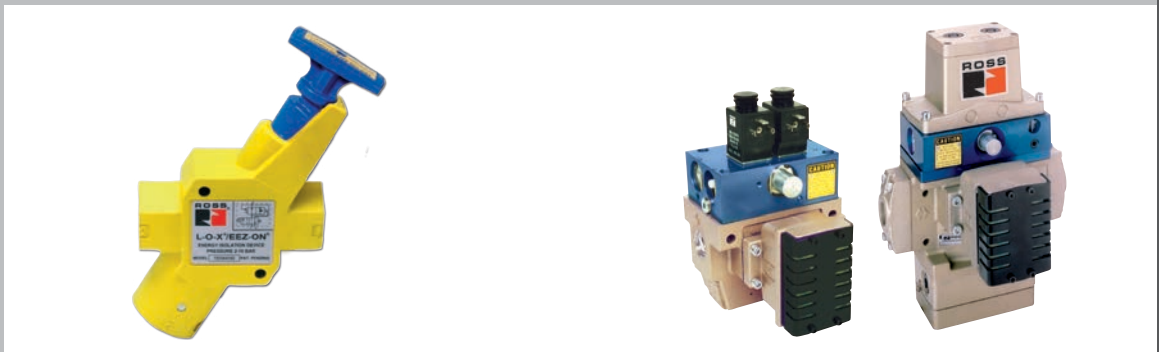

Silencers

Pop-Up Visual Indicator

Lockout Valves with Soft Start for LOTO  
Combination L-O-X® with EEZ-ON® Function

SERPAR® Double Valves - with L-G Monitoring  
3/2 Internally Monitored

### 3-DAY Shipping Program

DM²® Series D Double Valves with  
Dynamic Monitoring & Memory

DM¹ Series E Double Valves with Dynamic Monitoring  
DM²® Series E & C – 3/2 Double Valves with Dynamic  
Monitoring & Memory

Control Reliable Energy Isolation

For more information on these products and other Safety Solutions, please contact ROSS customer service or your local ROSS distributor.

# EXPRESS 1 and 3-Day Shipment Program

## 1-DAY Shipping Program

Manual Lockout L-O-X® Valves	
Y1523D2002	Y1523C5002
Y1523D3012	Y1523C6002
Y1523C3002	Y1523C7012
Y1523C4002	Y1523C8002
Y1523C5012	Y1523C9012

**Port Threads:** NPT. For BSPP threads, insert a "D" after the "Y" to the model number, e.g., YD1523C2002.

Right Angle Flow Control Valves	
Slot Adjustment	Knob Adjustment
1968A1008	1968A1018
968A2008	1968A2018
1968A3008	1968A3018
1968A4008	1968A4018

**Port Threads:** NPT. For BSPP threads, add a "D" prefix to the model number e.g., D1968A1008.

AIR-FUSE Flow Diffusers	
1969D2002	1969D5002
1969D3002	1969D6002
1969D4002	1969D8002

**Port Threads:** NPT. For BSPP threads, add a "D" prefix to the model number e.g., D1969D2002.

Silencers	
5500A1003	5500A6003
5500A2003	5500A7013
5500A3013	5500A7001
5500A3003	5500A8001
5500A4003	5500B9001
5500A5013	5500A9002
5500A5003	

**Port Threads:** NPT. For BSPP threads, add a "D" prefix to the model number e.g., D5500A1003.

Pop-Up Visual Indicator
988A30

## 3-DAY Shipping Program

Manual Lockout with Soft Start for LOTO Combination L-O-X® with EEZ-ON® Function		
Y1523B3102	Y1523B5112	Y1523B6102
Y1523B4102	Y1523B5102	Y1523B7112

**Port Threads:** NPT. For BSPP threads, insert a "D" after the "Y" to the model number, e.g., YD1523B3102.

SERPAR® Double Valves with L-G Monitor			
Basic Size 4	3573D4241**	3573D5211**	
	3573D4211**	3573D4245**	
Basic Size 8	3573A4201**	3573A4202**	3573A4202**
	3573A5141**	3573A5142**	
Basic Size 12	3573A5201**	3573A5202**	
Basic Size 30	3573A7201**	3573A7202**	

**Port Threads:** NPT. For BSPP threads, add a "D" prefix to the model number, e.g., D3573D4241Z.  
 \*\* Insert voltage code: "W" = 24 volts DC; "Z" = 110-120 volts AC, 50/60 Hz, e.g., 3573D4241Z.

Control Reliable Double Valves with Dynamic Monitoring DM <sup>1</sup> Series E		
DM1ENA20**31	DM1ENA21**31	

Control Reliable Double Valves with Dynamic Monitoring & Memory DM <sup>2</sup> Series E and C		
DM2ENA20**21	DM2CNA42**21	DM2CNA66**21
	DM2CNA54**21	
DM2ENA21**21	DM2CNA55**21	DM2CNA88**21

Control Reliable Double Valves with Total Dynamic Monitoring & Complete Memory DM <sup>2</sup> Series D		
DM2DNA21**21	DM2DNA54**21	DM2DNA88**21
DM2DNA42**21	DM2DNA66**21	

**Port Threads:** NPT. For BSPP threads, replace "N" in the model number with a "D", e.g., DM1EDA20\*\*31.  
 \*\* Insert voltage code: "A" = 24 volts DC; "B" = 110 volts AC, 50/60 Hz; "C" = 220 volts AC, 50/60 Hz; "D" = 12 volts DC, e.g., DM1ENA20B31.

## EXPRESS Shipment Program Conditions

Upon ordering, if ROSS or its authorized distributor is unable to meet the stated shipment date for any reason, the customer will receive a credit towards its next order for 15% of the invoiced value of late delivered products, based on the following conditions:

- Customers are limited to one (1) EXPRESS order per day
- Nine (9) or less units of each part number can be included in the order
- Orders received by 4:00 PM (Eastern) will be entered on the same day received, shipped by 4:00 PM (Eastern) Next Day or 3-Day, accordingly
- Orders received after 4:00 PM (Eastern) will be entered the next business day
- Guarantee applies to shipment date only. Transit time may vary to destination and is not included in the shipment program guarantee.

Business days exclude weekends and ROSS holidays.

*ROSS reserves the right to make changes to this program at any time. The most recent terms and conditions will be stated at [www.rosscontrols.com](http://www.rosscontrols.com).*

For additional information on ROSS products included in the EXPRESS Shipping Program, please visit [www.rosscontrols.com](http://www.rosscontrols.com) or call 1-800-GET ROSS (438-7677).
